LETTER OF TRANSMITTAL.

To His Excellency, Asa S. Bushnell, *Governor of Ohio.*

Sir:—I have the honor herewith to submit the first annual report of the State Board of Medical Registration and Examination of Ohio.

In accordance with your directions the Board met in Columbus, March 24th, 1896, and organized. Steps were immediately taken to procure an office with the proper equipments; such as furniture, engraved plates, registers, books, blanks, records, stationery and all other things which were absolutely essential for the transaction of the business set forth in the law passed February 27th, 1896, for the purpose of regulating the practice of medicine in this State. It was deemed necessary to have the plates for printing the certificates engraved upon steel. The registers and records had to be constructed in accordance with the law; it requiring considerable time for their preparation, some delay occurred before it was possible for the Board to commence the issuing of certificates.

It was thought wise to have a secure place for filing the various documents that had to be furnished the Board by the physicians of the State, as these documents become public records. Many credentials filed with the Board were in the shape of diplomas, and other papers which, if lost or destroyed, would be difficult to replace. Therefore the Board decided to procure a large fire-proof safe, and to remodel the fire-proof vault connected with their office, fitting it up with the necessary file cases.

To establish the workings of any new State department is necessarily attended with great difficulties, and what at first sight may seem simple, proves to be most difficult and complex in its execution; such has been the case in the registration of the physicians of this State. A copy of the law was sent by the Secretary to each physician of the State whose name could be obtained, enclosing with it a blank affidavit and letter of instruction, with the request that they comply with the law at once. We are pleased to say that many were prompt, but quite a number were tardy and apparently indifferent, which necessitated the Secretary to write repeated letters, and in many cases indicate that it would be necessary, unless they complied with the law at once, to enforce the penalties of the same. The Secretary visited all the

larger cities, at appointed times, in order to facilitate the work of registration, and this was found to hasten its progress. The affidavits, in many cases, when sent to the Secretary, were imperfectly filled out. Some ignored the blank form of affidavit and made their statement in their own way and very imperfectly, so that hundreds of such papers had to be returned; others again sent their diploma and no affidavit; still others sent affidavit and diploma and no money; so that it required an immense amount of labor to be expended simply in the correction of errors. The affidavits, diplomas and moneys were received in various ways—some by express, some by mail, and others were delivered personally. It was deemed necessary that those filing foreign diplomas should accompany them with an affidavit obtained through a United States Consul, in order to determine the validity of the certificates.

On June 11th, 1896, the Board went to the city of Cincinnati and spent three days investigating certain medical colleges. A large number of witnesses were examined and a record was made of all proceedings. The Board found these institutions lacking in the equipment necessary to afford a proper medical education, and determined they were not medical institutions in good standing; thereupon, they were necessitated to reject all applicants upon the basis of graduation from said institutions. For the details of this investigation I respectfully call your attention to the appended report of the Secretary.

From the organization of the Board, March 24th, 1896, to January 10th, 1897, there have been 6,701 certificates upon the basis of graduation issued, and 119 applications upon that basis were rejected. 665 certificates granted upon the basis of ten years or more continuous practice have been issued, and 174 of such were rejected. Under the provisions of Sec. 4403*c*, eleven applicants have been examined, three of whom were rejected. The number of certificates issued to midwives by the Probate Judges of the various counties, to January 1st, 1897, was 242, and three midwives were granted certificates upon examination by the Board.

The Treasurer's books show that there has been $38,486.06 received from all sources up to January 10th, 1897, and of that sum $16,202.92 has been disbursed. The Treasurer has complied with the law, and covered into the State Treasury all money as specified therein, and there now remains in the State Treasury the sum of $21,597.08, and in the hands of the Treasurer, the sum of $686.06.

The provisions of the law are daily growing in favor. The law is being enforced, and shall be enforced most vigorously,

determinedly and to the letter; but at the same time it has been the effort of the Board to administer the law at all times, and under all circumstances, without malice and in the most impartial manner. There are a number of cases now in the courts which will come up for hearing in their due course.

Several very eminent judges in various parts of the State have had occasion to consider questions under the law, and all have given it as their opinion that the law is constitutional. In a number of the courts cases have come up for trial for the collection of bills for medical services, and in such cases, unless the physician has his certificate in accordance with the law, compensation for services rendered cannot be collected.

The members of the Board have reasons to believe that there are a few to whom the law applied, who were not pleased with its provisions; but it was largely due to the fact that they were not familiar with the law and did not comprehend what was to be gained for the commonwealth by its careful and judicious execution. It is with pleasure that we learn from day to day, that many who were at first opposed to the law have now become its most earnest friends and advocates. The best evidence of the acceptability of the present law has been shown by the ready and valuable services freely extended to the Board in carrying out its provisions. Such aid has been rendered at all times, both by the various medical organizations of the State and by the civil authorities.

It is evident to the mind of every thinking and intelligent individual that the best interests of the public are conserved by educated and skillful medical service, as on the other hand, they are injured by ignorance and incompetency.

Our law contemplates furnishing the best possible medical skill to the people of the whole State. For years past the physicians of the entire country have been making efforts to elevate the standard of medical education, and have gone forward at great expense, both to the colleges and to the students; and, without being coerced by mandatory laws to do so, have in many States extended the time of study from two to four years. It is the duty of the State to see that such efforts are protected and maintained, and thereby furnish better medical service to its citizens.

It is encouraging to learn through the *Examination Bulletin* of the University of the State of New York, that there are 22 States and 1 Territory where diplomas do not confer the right to practice medicine, but an examination by a State Board is required in all cases. There are 13 States and 3 Territories where approval of diplomas or an examination by a State Board is required. In this

State the Board have adopted a rule that after July, 1899, no diplomas will be recognized which are issued by colleges requiring less than four years study and four courses of lectures of at least 26 weeks each, in four separate years.

It is impossible to create the new conditions required by the law for the regulation of the practice of medicine in this State, without interfering with plans, notions or ideas, which are not in accordance with the best interests of the common public. Laws at all times should contemplate the greatest good to the greatest number, and they are made to hold in check those who are inclined to trespass upon the rights and privileges of others who are working to the highest interests of the community. The State should be ever jealous of the welfare of her citizens, and particularly of their health, which, to the state and nation, means wealth.

Ohio being a rich and thickly populated state, surrounded by states having good and efficient laws for the regulation of the practice of medicine, attracted a great influx of incompetent physicians. The fact that no restriction was being placed upon the practice of medicine, or rather the neglect of the enforcement of the laws which existed, allowed a larger per cent. of incompetent men and women to engage in the practice of medicine in this state than otherwise would have obtained.

The great commonwealth of Ohio demands from those charged with the duty of enacting laws and enforcing them, the rights guaranteed by the Constitution to each and every individual, the chief of which is the protection of life. The elevation of the standard of medical education and the strict enforcement of medical laws will, alone, free our state from charlatans, mountebanks, deceivers and impostors; the workings of the present law having already accomplished much in this direction.

While a matter of so great importance should be viewed from a more serious standpoint than that of mere monetary consideration, if the matter of economy alone be taken into account it would demand a rigid enforcement of the law.

As presiding officer it gives me great pleasure to testify to the hearty co-operation and mutual esteem existing between the members of this Board, and further to testify to the harmonious relations it has held to the various schools of practice in the State.

Respectfully submitted,

N. R. Coleman, M. D.,

President of the State Board of Medical Registration and Examination.

Columbus, February 23rd, 1897.

REPORT OF THE SECRETARY.

COLUMBUS, OHIO, February 17, 1897.

To the Members of the State Board of Medical Registration and Examination, of Ohio:

GENTLEMEN—In conformity with your rules I have the honor to submit to you the accompanying report, covering the period of time from the organization of your Board on March 24th, 1896, to January 10th, 1897.

Very respectfully,
FRANK WINDERS, M. D., *Secretary.*

PROCEEDINGS OF THE BOARD.

SPECIAL MEETING FOR ORGANIZATION, MARCH 24, 1896.

Pursuant to the call of the Governor, the members of the State Board of Medical Registration and Examination of Ohio, met at 2 P. M., at the Hotel Chittenden, on March 24th, 1896, for the purpose of organizing.

There were present:

N. R. Coleman, M. D., Columbus, O.
S. B. McGavran, M. D., Cadiz, O.
H. E. Beebe, M. D., Sidney, O.
David Williams, M. D., Columbus, O.
Chas. A. L. Reed, M. D., Cincinnati, O.
John K. Scudder, M. D., Cincinnati, O.
Cady Markley, M. D., Toledo, O.

The following officers were elected unanimously to serve until the beginning of the next fiscal year:

President, N. R. Coleman, M. D.
Vice-President, H. E. Beebe, M. D.
Treasurer, David Williams, M. D.

John K. Scudder, M. D., was chosen Temporary Secretary.

The Board thereupon adjourned to pay their respects to His Excellency, Governor Bushnell, and President Coleman duly notified the Governor that the Board had organized and was ready to enter upon the discharge of its duties.

FORM OF NOTIFICATION.

On motion of Dr. Reed, the President and Secretary were authorized to issue the following letter of instruction:

To the Medical Profession of the State of Ohio:

Attention is hereby respectfully called to the enclosed copy of Sections 4403*c*, 4403*d*, 4403*e*, 4403*f* and 4403*g* of the laws of Ohio, enacted by the 72nd General Assembly, and in force since February 27th, 1896.

In accordance with the provisions of this law, it will be necessary for each practitioner of medicine in the State of Ohio, if a graduate in medicine, to fill out the accompanying affidavit, sign and swear to the same before a Notary Public, attach it to his or her *diploma*, and forward both affidavit and diploma to this office for registration.

The prescribed fee of Five Dollars ($5.00) must accompany the diploma. If the diploma is approved by the Board, a certificate will be forwarded to the applicant, which certificate must be left for record in the office of the Probate Judge of the county in which the applicant resides. This must be done on or before May 27th, 1896.

In view of the immense amount of preliminary work on hand, we would ask that there be no delay in forwarding diplomas and accompanying affidavits. Of course, after inspection, the diplomas will be returned.

Those who are engaged in the practice of medicine, in the State of Ohio, who are not graduates in medicine and who purpose continuing the practice of medicine in the State of Ohio, are respectfully directed to file a preliminary application for registration at this office on or before May 1st, 1896.

Such preliminary application should set forth whether registration is sought on the ground of having been a legal practitioner of medicine on the 27th day of February, 1896, or on the ground of an examination to be accorded the applicant by this Board. On receipt of such preliminary application, the necessary blanks and instructions will be forwarded.

An *ad eundem* or honorary diploma will not be accepted.

Applicants sending diplomas by mail must provide for their return by mail; diplomas sent by express will be returned in the same way.

All drafts and money orders must be made payable to the Treasurer of the Ohio State Board of Medical Registration and Examination. Stamps will not be accepted.

The *name* must be written in full, in the affidavit, *exactly* as it appears in the diploma.

On motion the President appointed the following committees:

(*a*) A committee to formulate rules for the government of the Board, to report April 7th, 1896. The President appointed S. B. McGavran, Chairman, and Cady Markley.

(*b*) A committee to formulate rules in reference to Medical Examinations. The President appointed Dr. Chas. A. L. Reed, Cincinnati, Ohio, Chairman, and Dr. John K. Scudder, to report on April 7th, 1896.

(*c*) Committee on Emergency Printing, the President and incoming Secretary to constitute said committee.

(*d*) A committee to procure three steel plates and the necessary engraved certificates therefrom; a steel or brass seal of suitable design for the use of the Board. The President appointed Dr. Chas. A. L. Reed, Chairman; Dr. John K. Scudder, Dr. H. E. Beebe.

(*e*) A general committee on the necessary printing, books, stationery, records, record books, blanks, etc., and such supplies not included in Committee on Emergency Printing. The Chair appointed Dr. S. B. McGavran, Chairman, Dr. Cady Markley.

(*f*) A committee to consist of Dr. Williams and the Secretary to make necessary purchases and fit up an office for the use of the Board; said committee to be authorized to rent temporary quarters or to secure temporary or permanent quarters in the Capitol building.

A motion then prevailed that the Treasurer proceed to procure without delay a bond for $10,000, for the faithful performance of his duties; that said bond be procured from some indemnity or surety company authorized to do business under the laws of this State, and that this Board hereby agrees to accept such bond from said surety company, and that the cost of said bond be charged to the expense account of this Board.

Dr. Frank Winders of Findlay, Ohio, was elected Secretary at a salary of $1,500.00.

The President was empowered to employ an assistant to the Secretary at a monthly salary and to employ such clerical force as might be required.

Gen. J. K. Richards was employed as Attorney for the Board at a salary of $1,000 per annum; attendance upon cases outside of the city and cases defended personally in Court not to be included in the salary.

The Treasurer was instructed to deposit duly all moneys in the Commercial National Bank of Columbus, Ohio, to the credit of Dr. David Williams, Treasurer, and to cover the amount into the State Treasury at least every ninety days.

The Board then adjourned to meet April 7, 1896.

Regular Meeting, April 7, 1896.

All members present.

The following opinion was received from Att'y J. K. Richards:

LEGAL PRACTITIONERS UNDER THE OLD LAW.

Dr. N. R. Coleman, Columbus, Ohio, March 28, 1896.

President, State Board of Medical Registration and Examination, City.

Dear Sir: You desire me to define the phrase, "a legal practitioner of medicine under the laws of Ohio in force at the time of the passage of this act," occurring in the act to regulate the practice of medicine in the state of Ohio, passed February 27, 1896.

On May 5, 1868, the Legislature passed an act "to protect the citizens of Ohio from empiricism and elevate the standing of the medical profession." This

act made it unlawful for any person to practice medicine in this State "who has not attended two full courses of instruction and graduated at some school of medicine, either of the United States or some foreign country, or who can not produce a certificate of qualification from some State or County Medical Society, and is not a person of good moral character;" subject, however, to the following important exception:

"Provided, that in all cases when any person has been continuously engaged in the practice of medicine for a period of ten years or more, he shall be considered to have complied with the provisions of this act, and when persons have been in continuous practice of medicine for five years or more, they shall be allowed two years in which to comply with such provisions."

The second section of this act provided a penalty by fine for the first offense, and fine and imprisonment for the second, and, in addition, that the person violating the act should not receive any compensation for services rendered.

Under this act, to be a legal practitioner, one must, *in addition to being a person of good moral character*, either—

1. Have attended two full courses of instruction and graduated at some school of medicine, either of the United States or some foreign country; or

2. Produce a certificate of qualification from some State or County Medical Society; or

3. Have been continuously engaged in the practice of medicine for a period of ten years or more.

In the case of *Wert* vs. *Clutter*, 37 O. S., 347, it was held that the ten years of continuous practice may embrace time after, as well as before the passage of the act. In other words, according to this decision, ten years of continuous practice became the equivalent of a diploma of a school of medicine or a certificate from a Medical Society.

The first section of this act was carried into the Revised Statutes as Section 4403, but the "two full courses of instruction" were defined by the additional words "of at least twelve weeks each." That portion of the second section which took away from the person violating the act the right to recover compensation for services rendered, was incorporated in Section 4403.

The balance of section 1 of the act of May 5, 1868, prescribing the penalty by way of fine and imprisonment, was carried into the Revised Statutes of 1880 as Section 6992, being preceded by the qualifications in Section 1 of the act of May 5, 1868, omitting, however, evidently through inadvertence, the proviso as to continuous practice for ten years.

This omission in Section 6992 was corrected by the act of April 18, 1881, which inserted the provision as to continuous practice for ten years. As thus amended, Section 6992 remained in force until February 27, 1896. That is to say, the act of May 5, 1868, existed unchanged, in Section 6992, up to the passage of the act creating the State Board of Medical Registration and Examination.

I have already stated that Section 4403, of the Revised Statutes of 1880, defined the qualifications as to graduation thus:

"No person who has not attended two full courses of instruction, of at least twelve weeks each, and graduated at a school of medicine, either in the United States or a foreign country," etc.

On May 2, 1885, the words I have quoted above were stricken out of Section 4403, and the following inserted:

"No person who is not a graduate of a reputable school of medicine either in the United States or a foreign country," etc.

At the same time a retaliatory provision was inserted which it is unnecessary to consider.

As thus amended in May, 1885, Section 4403 remained in force until February 27, 1896.

The conclusions I reach from a comparison and consideration of these enactments are as follows:

1. From May 5, 1868, to February 27, 1896, a certificate of qualification from a State or County Medical Society entitled the holder to practice medicine and surgery in this State.

2. From May 5, 1868, to January 1, 1880, graduation at some school of medicine, either of the United States or some foreign country, after attending two full courses of instruction, entitled the graduate to practice in Ohio.

3. From January 1, 1880, to May 2, 1885, graduation at a school of medcine, either in the United States or a foreign country, after attending two full courses of instruction, of at lease twelve weeks each, entitled the graduate to practice in Ohio.

4. From May 2, 1885, to February 27, 1896, graduation at a "reputable school of medicine" either in the United States or a foreign country, entitled the graduate to practice in Ohio.

5. During this entire period, from May 5, 1868, to February 27, 1896, the continuous practice of medicine for a period of ten years qualified a person to practice in Ohio.

Very respectfully, J. K. Richards.

Reports were received and adopted from the following committees:

Committee to Formulate Rules for Regulating the Order of Business of the meetings of the Board.

Committee to Formulate Rules in Reference to the Medical Examination of Applicants, as provided by law.

Committee on Emergency Printing, reported the following forms of affidavits:

4. Receipt book for use in receipting for fees.
5. Receipt for certificate.

Dr. Reed presented the report of the Committee on Rules Governing Examinations, as follows:

RULES GOVERNING EXAMINATIONS.

1. Examinations shall be held in the city of Columbus, May 26, 1896, and thereafter at each quarterly meeting during such hours as the Board may designate.

2. Applications for examination must be made ten days prior to each regular meeting and must be accompanied with a fee of twenty-five dollars ($25). Applications must set forth the name, age, sex, previous period of practice and present and previous location of the applicant, and such other information as the Board may require of the individual applicant.

3. Examinations shall be held in writing, and in the English language, and shall be conducted under the supervision of the Secretary and one or more members of the Board.

4. Examinations shall embrace the following topics, viz.: 1, Anatomy; 2, Physiology; 3, Chemistry and Hygiene; 4, Materia Medica and Therapeutics; 5, Practice of Medicine; 6, Surgery; 7, Obstetrics. These subjects may include questions in Histology, Pathology, Bacteriology, Ophthalmology, Otology, Operative Gynecology, Medical Diseases of Women and Children.

The questions shall be uniform in all departments excepting Materia Medica, Therapeutics and Practice, in which latter the questions shall be framed in conformity with the system of practice in which the applicant has expressed his desire to be examined, and in which he has declared his intention to practice.

5. A general average grade of 75% shall be required to secure a certificate. A grade of sixty percent (60%) must be attained in any one department to pass in any such department. There shall be ten questions in each of the seven headings.

6. Each candidate shall draw a card having on it a number and shall sign his name thereto and enclose same in an envelope, which he shall seal and place in the custody of the Secretary, not to be opened until all grades are rendered. All examination papers shall bear the corresponding number.

Reports were also received and adopted from the—
Committee on Stationery, Record Books, etc.
Committee on Office and Office Furniture.
Committee on Certificates and Official Seal.

Dr. David Williams, Chairman of Committee on Office and Office Furniture, was instructed to visit the office of the State Board of Health at Springfield, Ill., in order to examine into the methods of that Board.

It was decided that the question, "whether opticians shall be allowed to furnish glasses without a prescription from a physician," should be heard by the Board on the last Wednesday of April, 1896, and that interested parties should be notified to that effect.

The bond of Dr. Frank Winders, Secretary, in the sum of $5,000, was accepted.

The contract with Dr. H. M. Platter, for services as assistant to the Secretary, was accepted.

The contract with Hon. J. K. Richards, for services as the attorney of the Board, was accepted.

The President and Secretary were authorized to arrange for registration to be conducted by the Secretary in different large cities of the State:

The President then appointed the following standing committees:

1. Committee on Medical Colleges—
   H. E. Beebe, Chairman,
   C. A. L. Reed,
   S. B. McGavran,
   David Williams,
   Cady Markley.

2. Committee on Rules—
   S. B. McGavran, Chairman,
   J. K. Scudder,
   Cady Markley.

The President and Secretary were authorized to employ a stenographer.

Drs. Coleman, Reed and Scudder were appointed to act as delegates to the meeting of the National Confederation of Medical Examining and Licensing Boards, to be held at Atlanta, Ga., on May 4, 1896.

The time was then spent in a conference with the attorney of the Board, upon legal questions involved.

The Board then adjourned to meet April 29, 1896, at 2 P. M.

Called Meeting, April 29, 1896.

All members present.

The President, Treasurer and Secretary were appointed as an Auditing and Finance Committee, and were authorized to audit and pay all accounts against the Board.

The following opinion was received from Attorney J. K. Richards:

LEGAL PRACTITIONERS.

(1) The ten years of continuous practice which, under the old law, qualified a person to practice medicine in Ohio, was not limited to years of practice in Ohio, but included practice without as well as within Ohio. There are no restricting words in the act itself, and in the opinion I gave the Board March 28, I stated the conclusion reached, as follows:

"During this entire period, from May 5, 1868, to February 27, 1896, the continuous practice of medicine for a period of ten years qualified a person to practice in Ohio."

(2) The Board has authority to examine any applicant, engaged in practice in Ohio at and prior to February 27, 1896, but not a legal practitioner nor a graduate. If an applicant who was thus engaged in the practice should present a diploma to the Board, and the Board should determine that the applicant was not a graduate of a legally chartered medical institution in good standing, the applicant would be entitled to an examination should he so request.

SUPPLEMENTARY EXAMINATION.

(3) I do not understand that the Board has authority to require an examination supplementary to a diploma. If the applicant stands on his diploma, the question for the Board to determine is whether the diploma is genuine and from a legally chartered medical institution in good standing. Upon either of these points, I suppose the Board might, if in doubt, require additional proof. If the Board determines that the diploma is not genuine, or is not from a legally chartered institution in good standing, in either case it must reject the application of the person to be licensed as a graduate. Of course, if the applicant was engaged in practice in Ohio on and prior to February 27, 1896, he would be entitled to the examination accorded a person not a legal practitioner nor a graduate, but engaged in practice at such time. Such examination, however, would not be supplemental to a diploma but granted on the ground that the applicant had no diploma which the Board could recognize.

(4) The Board is only required to examine those applicants who were engaged in the practice in Ohio on and prior to February 27, 1896, and are not legal practitioners nor graduates within the meaning of this act.

(Signed), J. K. RICHARDS.

Reports were received and acted upon from the following special committees:

1. Committee on Emergency Printing.
2. Committee on Certificates and Seal.
3. Committee on Office and Office Furniture.
4. Committee on Printing, Record Books, etc.

The Secretary submitted a report on the number of physicians who had made application for registration up to that time.

The Treasurer submitted a report of receipts since the work of registration began.

The question of registration, upon the basis of a certificate of qualification from a State or county medical society, was referred to the attorney.

The Board authorized the purchase of a typewriter for use in the office of the Secretary.

The Board then adjourned to meet May 25, 1896.

Called Meeting, May 25, 1896.

All members present.

Dr. Reed presented the report of the Committee on Seal and Certificates, as follows:

That the seal had been completed and delivered; that the certificates for midwives had been delivered; that the certificates for examination candidates would be delivered by May 26th, and that the National Bank Note Co., of New York would not be able to deliver the proofs of the certificates for graduates and for legal practitioners before June 1st, 1896, and that after return of corrected proofs they would furnish certicfiates at the rate of 800 per day. The report was received and adopted.

Dr. Williams presented the report of the Committee on Office Furniture and Quarters, as follows:

The office had been removed into new quarters; a safe had been purchased, at a cost of $140.00, to be delivered June 1st, 1896; the contract for files had been let to Gueber and Taeschke Mfg. Co. of Milwaukee, Wis., for $545.00, to be delivered July 1st and that the indemnity bond for the typewriter had been filed and was satisfactory.

The report was received and adopted and the committee was authorized to sell the old linoleum, in the old office, and place the money in common fund. On motion of Dr. Scudder and seconded by Dr. Markley the report was received and adopted.

Registration upon certificate issued by a medical society.

The following opinion relative to the value of Certificate from a Medical Society was read:

Columbus, Ohio, May 8, 1896.

Dr. H. M. Platter,

Asst. to Sec'y State Board of Medical Registration and Examination, Columbus, O.

Dear Sir: On behalf of the Board you have submitted to me the affidavit of Lester H. Painter, accompanied by a certificate of the Physio-Medical Associaciation of Physicians and Surgeons of Ohio and requested my opinion as to whether the applicant is entitled to register as a legal practitioner. The applicant states his desire to be classed with the Physio-Medical School of Medicine and files with his affidavit a certificate of the Physio-Medical Association of Physicians and Surgeons in Ohio, stating that he has given them satisfactory evidence of his attainments and is licensed to practice medicine in accordance with the laws of Ohio. This certificate was issued Jan. 1st, 1896, under the old law. The law authorized a person to practice medicine who could produce a certificate of qualification from a State or County Medical Society. If the State Board recognizes the Physio-Medical School as a School of Medicine in Ohio, and if the Physio-Medical Association of Ohio is the State Medical Society of such school, then this applicant is entitled to register as a legal practitioner under the laws in force at and prior to Feb. 27, 1896.

Very respectfully,

J. K. Richards.

Dr. McGavran, Chairman of Committee on Printing, Record Books, etc., reported that the record books for the use of the Board had been delivered and were found satisfactory, and that the stationery would be delivered within a few days.

The Secretary reported the grades obtained by the four applicants who were examined for one-year certificates on April 8, 1896.

The President and Secretary were authorized to issue "certificates upon examination" to—

C. H. Scott, Morgan County.
J. W. Kannell, Mercer County.
J. M. Van Tilburg, Lorain County.

Seventy-one medical colleges were passed upon and recognized as colleges in good standing. (Embraced in list of Recognized Medical Colleges, pp. 29–32.)

The President and Secretary were authorized to issue graduates' certificates to 5,465 applicants who were graduates of the colleges recognized above, each name having been presented to the Board. (Embraced in the Official Register.)

Treasurer reported receipts to the amount of $31,580.

The Secretary was instructed to secure from the attorney for the Board a blank form upon which all protests* against the issu-

ing of certificates and all applications for revocation of certificates should be presented, and it was ordered that information against applicants or licentiates should not be considered unless the same should be presented in the form of an affidavit.

The Committee on Medical Colleges, together with the President and the Secretary, were instructed to visit and examine into the standing of the American Eclectic Medical College, Cincinnati, Ohio; the American Health College of Cincinnati, Cincinnati, Ohio; the Medical University of Ohio, Cincinnati, Ohio; the National Normal University, Medical Department, Lebanon, Ohio. The committee was further instructed to report at the regular meeting in July, 1896.

PRACTICE OF MEDICINE UNDER THE OLD LAW.

Attorney J. K. Richards submitted the following opinion as to what constituted the practice of medicine under the old law:

Dr. N. R. Coleman, *President State Board of Medical Registration and Examination:*

Dear Sir.—Referring to the subject of our conversation this morning, I beg to say, that while the law governing your Board requires a legal practitioner to furnish the Board an affidavit stating the period during which, and the places at which he has been engaged in the practice of medicine or surgery, it does not compel the Board to accept as final, the statements of such affidavit, but on the contrary, provides:

"If the Board is satisfied from the affidavit and other information received, that the applicant was a legal practitioner of medicine in Ohio at the time of the passage of this act, it shall issue its certificate to that effect, which, when left with the Probate Judge for record, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this State."

Thus the law vests in the Board the power to determine from the affidavit and other information received, whether the applicant was a legal practitioner of medicine in Ohio at the time the present law was passed. I have already defined what constituted a "legal practitioner" of medicine under the old law. Among the provisions of that law was this: "When a person has been continuously engaged in the practice of medicine for a period of ten years or more, he shall be considered to have complied with the provisions of this chapter," that is, he shall be deemed qualified to practice medicine in Ohio.

In the case of Wert vs. Clutter, 37 O. S., 350, Judge McIllvaine, speaking for the Court, says, that the ten years' continuous practice of medicine was accepted by the law as equivalent to the evidence of qualification furnished by graduation at a school of medicine or the production of a certificate of qualification from some State or County Medical Society. If an applicant rely upon ten years of continuous practice of medicine, he must satisfy the Board that what he has been engaged in during such period, is the practice of medicine as commonly understood among the medical profession. He must have been engaged in the general practice of medicine, such practice as would qualify him to practice medicine and surgery in the State.

In what the Board says and does in reference to the above matter, it should be careful not to assume a position inconsistent with the provisions of Section 4403*f* of the existing law. This section defines what shall be regarded as "practicing medicine or surgery within the meaning of this act." This definition is for the purpose of punishing the acts defined if done by a person who has not complied with the requirements of the present law. For instance, "to append the letters M. D. or M. B. to his name" is defined as an act of practicing medicine or surgery within the meaning of the existing law; yet, I apprehend that a person who for ten years had appended those letters to his name and yet had not been continuously engaged in the practice of medicine, as commonly understood, would not be deemed a legal practitioner under the old law. Other distinctions based upon the wording of this section, will suggest themselves.

Very respectfully,

(Signed) J. K. Richards.

Attorney J. K. Richards, in response to a question as to What Constitutes a Fee, under the present law, responded:

The provisions of Section 4403*f* are sufficiently plain upon the point what is to be regarded as practicing medicine, within the meaning of the present law. A "fee," within the meaning of said section, includes any form of compensation.

Dr. Reed, who had previously presented, now moved the adoption of the following resolutions defining the Requirements Relative to Medical Colleges, as follows:

REQUIREMENTS DEMANDED OF MEDICAL COLLEGES.

Resolved, That all medical colleges of the United States requiring a minimum of three years' study of medicine and two courses of lectures for graduation prior to 1886, and possessing proper facilities for teaching, and a faculty embracing the chairs of Anatomy, Physiology, Chemistry, Materia Medica, Therapeutics, Medicine, Surgery and Obstetrics, shall be recognized as in good standing, and diplomas issued by the same and properly verified shall entitle the holders thereof to register as graduates in medicine under the laws of Ohio, providing that no certificate shall be issued to any applicant upon proof that his or her diploma has been obtained fraudulently or in violation of the published rules of the college issuing the same.

Resolved, That for the ten years ending February 27th, 1896, all medical colleges exacting the foregoing requirements and possessing facilities and a faculty, as specified in foregoing resolution, shall, by virtue of such facts, be recognized as in good standing to and including the year 1892, but that no medical college shall be recognized as in good standing which has not, since 1892, possessed the foregoing facilities and faculty, and which has not, in addition, exacted an entrance qualification and attendance upon three regular courses of lectures as a condition of graduation.

Resolved, That on and after July 1st, 1899, no medical college will be recognized as in good standing which does not require the entrance qualification prescribed by the Association of American Medical Colleges, as a prerequisite for matriculation, which does not possess an adequate equipment for teaching medicine, which has not clinical and hospital facilities based upon a minimum municipal population of fifty thousand, and which does not have an active faculty

embracing the Departments of Anatomy, Physiology, Chemistry, Materia Medica and Therapeutics, Medicine, Surgery, Obstetrics, Histology, Pathology, Bacteriology, Ophthalmology and Otology, Gynecology, Laryngology, Hygiene and State Medicine, and which does not enjoin attendance upon eighty per cent. of four regular courses of instruction, of not less than twenty-six weeks each, in four different years, and which does not exact an average grade of seventy-five per cent. on an examination as a condition of graduation, providing that the rule relative to population, as a basis for clinical and hospital facilities, shall not apply to institutions under State control, and which, by virtue of such control, receives, gratuitously, patients from all parts of the State in which such colleges are located.

The Secretary reported the grades obtained by the four applicants who were examined for certificates on May 25–26, 1896.

The President and Secretary were authorized to issue certificates of examination to—

Firman W. Wurtsbaugh, Rush Creek, O.
James J. Brammer, Ashbury, O.
J. L. Kirby, Laurelville, O.

The Board then accorded a hearing to oculists and opticians.

Dr. C. A. L. Reed was appointed a committee of one to make arrangements for the investigation of medical colleges in Cincinnati, on June 11, 12 and 13, 1896.

J. K. Richards was employed to be present and assist the Committee on Medical Colleges in the investigation of medical colleges in Cincinnati, Ohio, on June 11, 12 and 13.

The Board then adjourned to meet July 7, 1896.

Regular Meeting, July 7, 1896.

All members present.

Attorney J. K. Richards submitted opinions upon subjects that had been referred to him, as follows:

To the State Board of Medical Registration and Examination:

Gentlemen:—With respect to the matters referred to me by your Secretary, I beg to say:

Status of Applicants Rejected by other Boards.

(1) I do not see how, under the law as it now stands, your Board can refuse to issue a certificate to a graduate of a medical college in good standing as determined by your Board, on the sole ground that the applicant had been rejected on an examination by the Medical Board of some other state. Your Board is not an examining board and if it were it would have to act upon its own examination, not upon the examination of some other State Board.

COLLEGES OUTSIDE THE UNITED STATES.

(2) I question the policy (if the Board has the power, which is doubtful) of declaring by a broad resolution, that the Board will reject the diploma of any college outside of the United States. The Board at present has no authority to examine, and such a rule might exclude competent physicians, who are graduates of foreign schools in good standing, and are now engaged in practice in this state. The better plan, it occurs to me, would be to pass on each individual application based on a foreign diploma and require the presentation of evidence satisfactory to the Board, that the college is "a legally chartered medical institution in good standing." A certificate from a diplomatic representative of the United States in a country where the college is located might be required, and the burden of proof would be upon the applicant to satisfy the Board that the foreign college is one in good standing.

NON-RESIDENT LEGAL PRACTITIONERS.

(3) I take it that, under the existing law, an applicant must have been in actual practice in this state at the time of the passage of the Kimmel bill, in order to be entitled to register as a legal practitioner. The design of the law is that ultimately every licentiate of the Board must be a graduate. The indulgence was, however, extended to those lawfully engaged in the practice of medicine in the state at the time of the passage of the act of receiving a certificate, and to those engaged in the practice of medicine, but not lawfully so engaged, of being permitted an examination.

Very respectfully,

(Signed) J. K. RICHARDS.

The following report from Committee on Medical Colleges was received and adopted:

REPORT OF COMMITTEE ON MEDICAL COLLEGES.

"Your Committee on Medical Colleges begs leave to report as follows:

The Committee, as ordered by the Board, visited, on June 11, 12 and 13, 1896, the American Eclectic, Hygeia Medical and the American Health Colleges, all of Cincinnati, Ohio, to ascertain their standing. An investigation was held in the Circuit Court Room of Hamilton County. Your Committee was assisted by the Prosecuting Attorney of Hamilton County, and by J. K. Richards, the Board's attorney. Each college was notified of the investigation and appeared by its officers and attorney and was given full hearing.

A transcript of the testimony, in book form taken by the official stenographer, is herewith submitted as a report of the proceedings.

The Committee also personally visited the buildings of these colleges and nspected their equipment and facilities for instruction.

After careful consideration the Committee finds these colleges are not in good standing within the meaning of the law governing the action of the Board with reference to medical colleges.

(Signed) H. E. BEEBE, *Chairman.*"

The applications for certificates of thirty-four graduates of the American Eclectic Medical College of Cincinnati, Ohio, were rejected on the ground that the said American Eclectic Medical

College was found and is now held by the Board to be a medical college not in good standing.

The applications for certificates of six graduates of the Hygeia Medical College of Cincinnati, Ohio, were rejected on the ground that said Hygeia Medical College of Cincinnati, Ohio, was found and is now held by the Board to be a medical college not in good standing.

The application for certificates of four graduates of the American Health College of Cincinnati, Ohio, were rejected on the ground that said American Health College was found and is now held by the Board to be a medical college not in good standing.

Dr. Beebe, Chairman of Committee on Medical Colleges, made the following report:

Your Committee on Medical Colleges visited the National Normal University, Medical Department, at Lebanon, Ohio. We found that the college had been running for five years; that it had an alumni of from twenty-five to thirty. The facilities and equipments of the college were not found to be up to the average of first-class medical colleges. The clinical advantages were poor. Your Committee recommends that the standing of said college be investigated further.

Respectfully,

H. E. BEEBE, *Chairman.*

The Committee on Medical Colleges was instructed to investigate further the standing of the National Normal University, Medical Department, at Lebanon, Ohio.

A report was received from the Committe on Certificates and Seal; the work of this committe being finished, it was discharged.

Dr. Williams, Chairman of Committee on Office and Office Furniture, reported changes in the vault at a cost of twenty-eight dollars ($28), and the delivery of the safe, steel files, office furniture and carpets.

The President and Secretary were authorized to issue a circular letter to the Probate Judges throughout the State, calling attention to Section 4403*d* of the Revised Statutes of Ohio.

Dr. Reed presented the following resolution, defining the status of Opticians under the Law:

Resolved, That the act of prescribing and adjusting glasses in uncomplicated cases of visual defects shall not be held as practicing medicine, within the meaning of the law, but that the act of prescribing glasses or of adjusting the same, without the order of a physician, in any case in which the vision cannot be brought up to the normal, and which, in addition to visual defects, there exists any inflammatory condition, organic change, or disease of either the constituent or auxiliary structure of the eye, *shall* be held as practicing medicine, within the meaning of the law.

On motion, the foregoing resolution was adopted.

The President and Secretary were authorized to issue legal practitioners' certificates to 325 applicants, on the ground that said applicants were legal practitioners of medicine in the State of Ohio, on the 27th day of February, 1896, the name of each applicant having been presented to the Board.

Thirty applicants for legal practitioners' certificates to practice medicine in the State of Ohio, were rejected, the name of each applicant having been presented to the Board.

The Treasurer reported receipts to date to the amount of $35,939.17.

Dr. Beebe presented the report of the Committee on Medical Colleges prescribing the Examination of Midwives, as follows:

EXAMINATION OF MIDWIVES.

The Board shall examine midwives in the following subjects:

(1) Anatomy of the human body in general with special reference to the anatomy of the female organs of reproduction and lactation.

(2) Physiology, embracing the general principles of physiology, with special attention to the physiology of the parts and organs involved in reproduction and lactation.

(3) Pathology of Pregnancy, Parturition and the Puerperium.

(4) Diseases of Early Infancy.

(5) Clinical Thermometry, Drugs and Medicines commonly used in the practice of midwifery.

(6) The general hygiene of the lying-in chamber, embracing the principles of asepsis and antisepsis, with particular reference to the lying-in state.

The candidate must be—

(*a*) At least eighteen years of age.

(*b*) Of good moral character.

(*c*) Present satisfactory evidence of ability to intelligently speak and write the English language, shown either by the diploma of a good literary high school, a teacher's certificate, or by an examination in the English branches.

Drs. Reed and Scudder were appointed a committee to examine applicants for certificates to practice midwifery in Hamilton County.

Forty-six medical colleges were passed upon and recognized as colleges in good standing. [Embraced in list of recognized colleges.]

The President and Secretary were authorized to issue graduates' certificates to applicants who were graduates of the colleges recognized above, the name of each applicant having been presented to the Board.

Graduates from the following institutions having applied for certificates, the Board, after hearing and due consideration, find and determine that said institutions are not now, and were not at the

time of granting the diplomas to said applicants, in good standing, within the meaning of the law governing this Board.

Druidic University of Lewiston, Maine,
Hygeia Therapeutic College, Florence Heights, N. J.,
Vermont Medical College, Rutland, Vt.,
American University of Pennsylvania, Philadelphia, Pa.,
Joplin Medical College, Joplin, Mo.,
Eclectic Medical College, St. Louis, Mo.,
Curtis Physio Medical Institute, Marion, Ind.,
Illinois Health University, Chicago, Ill.,
Philadelphia University of Medicine and Surgery, Philadelphia, Pa. (after 1870),
Wisconsin Eclectic Medical College, Milwaukee, Wis.,
Indiana College of Medicine and Midwifery, Indianapolis, Ind.,
University of Illinois, Chicago, Ill.

Twenty-eight applications based upon graduation from institutions embraced in the foregoing list were accordingly rejected.

The Secretary reported upon the examination of H. W. Eby, of Columbus Grove, Ohio.

The President and Secretary were authorized to issue a certificate, upon examination, to H. W. Eby, Columbus Grove, O.

ADDITIONAL INFORMATION REQUIRED OF FOREIGN GRADUATES.

The Secretary was authorized to require additional information from applicants who were graduates of foreign colleges.

Dr. Reed and the Secretary were appointed a committee to prepare blank forms* for additional information in regard to foreign graduation.

A vote of thanks was tendered to Mr. Thos. Darby, Assistant Prosecuting Attorney of Hamilton County, for services rendered during the investigation of medical colleges in Cincinnati.

The Secretary was instructed to transmit a vote of thanks to the Judges of the Circuit Court of Cincinnati, Ohio, for the use of the court room during the investigation of medical colleges in Cincinnati, Ohio.

The Board then adjourned to meet at the call of the President.

Called Meeting, August 10, 1896.

All members present.

The Board was addressed by Attorney Miller Outcalt of Cincinnati, on behalf of the Hygeia Medical College of Cincinnati, O.

William J. Taylor, of East Liverpool, Ohio, whose application on the basis of graduation from the Indiana College of Medicine and Midwifery, was rejected, presented his case to the Board.

The President and Secretary were authorized to issue graduates' certificates to 200 applicants who were graduates of colleges which had been recognized by the Board, the name of each applicant having been presented to the Board.

Graduates from the following institutions having applied for certificates, the Board, after hearing and due consideration, find and determine that said institutions are not now, and were not at the time of granting the diplomas to said applicants, in good standing within the meaning of the law governing this Board.

Very respectfully,

.....Secretary, Ohio State Board of Medical Registration and Examination,

Columbus, Ohio.....189..

Eighty-four applicants for legal practitioners' certificates to practice medicine in the State of Ohio were rejected, the name of each applicant having been presented to the Board.

The Secretary reported upon the examination of C. E. Wagner, of Berlin Centre, O.

The President and Secretary were authorized to issue a certificate, to C. E. Wagner, of Berlin Centre, O.

An application for a certificate upon the basis of a certificate of attendance at a post-graduate college was presented, and the Board refused to issue a certificate upon that basis.

The standing of the Hygeia Medical College of Cincinnati, Ohio, was reconsidered and the matter pertaining to this college was referred to the attorney for his opinion.

A recess was then taken until the attorney should render his opinion in the Hygeia Medical College matter.

Adjourned Meeting, August 25, 1896.

All members were present except Dr. J. K. Scudder.

The report of the attorney in regard to the Hygeia Medical College matter was received.

The following motion was then passed, that—

Whereas, The action of this Board, of July 8, 1896, rejecting the applications for certificates of certain graduates of the so-called Hygeia Medical College of Cincinnati, for reason, stated at the time, was, on August 10, 1896, reconsidered in order to allow the President of such institution, and Hon. Miller Outcalt, counsel for the same and its graduates, opportunity to appear personally before the Board and be heard further in the premises, and

Whereas, After careful consideration, the Board does not find any reason to reverse the action taken in last July, rejecting the applications mentioned; therefore, be it moved that the application of

Oscar Todhunter, Hamilton County,
Kate A. Sprague, Hamilton County,
Donald D. McDougal, Hamilton County,
Geo. C. Kolb, Hamilton County,
Alphonso Reggs, Hamilton County,
Kate O. Arndt, Hamilton County,

for certificates to practice medicine in Ohio by reason of being graduates of and holding diplomas from the Hygeia Medical College, be rejected, because this Board, after full investigation, a fair hearing of all interested parties and careful consideration of all matters involved, finds and determines that said Hygeia Medical College is not now and was not at the time of granting diplomas to said applicants, a medical institution in good standing, within the meaning of the law governing this Board.

Three medical colleges were passed upon and recognized as colleges in good standing.

The President and Secretary were authorized to issue graduates' certificates to applicants who were graduates of the colleges recognized above, the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue graduates' certificates to twenty-one applicants who base their claim for certificates upon graduation from foreign medical colleges, additional evidence having been furnished, as required by the Board, and the name of each applicant having been presented to the Board.

The Board then adjourned to meet October 6, 1896.

Regular Meeting, October 6, 1896.

All members present.

A report from the Committee on Medical Colleges, bearing upon the standing of the Indiana College of Medicine and Midwifery, was received and placed on file.

The President and Secretary were authorized to issue graduates' certificates to 154 applicants who were graduates of colleges which had been recognized by the Board, the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue graduates' certificates to twenty-one applicants who base their claim for certificates upon graduation from Canadian medical colleges; said applicants having furnished additional evidence bearing upon this graduation and the standing of the college from which they graduated, as was demanded by the Board, and the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue graduates' certificates to three applicants who based their claim for certificates upon graduation from foreign colleges evidence having been received that said colleges were medical colleges in good standing, and the name of each applicant having been presented to the Board.

The Board then proceeded to the hearing of the following cases, viz.:

James Crossér, of Salineville, represented by P. M. Ashford, attorney.

W. A. France, of Columbus, represented by Hon. T. E. Powell, attorney.

Lucy Harkey Adams, of Newark, represented by Mr. Hilliards, attorney.

W. F. Hale, Jackson.

Stephen D. Spees, Mt. Vernon.

Cassius Minser, Webster.

John G. Merrow, Akron, represented by Mr. Young, attorney.

Alexander Gritza, Toledo.

James H. Ferrell, Marion.

W. Chudznosky, Cleveland.

The President and Secretary were authorized to issue legal practitioners' certificates to 120 applicants, on the ground that these applicants were legal practitioners of medicine in the State of Ohio on the 27th day of February, 1896, the name of each applicant having been presented to the Board.

Fifty applicants for legal practitioners' certificates, to practice medicine in the State of Ohio, were rejected, the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue certificates to twenty-five applicants who were graduates of colleges which had been recognized by the Board, the name of each applicant having been presented to the Board.

The application of Joseph F. Chan, for registration on the basis of graduation from the Gong Wo College, located in China, was rejected.

The President was authorized to appoint committees, consisting of members of the Board, who should visit the different medical colleges of this State and report concerning them at the next meeting of the Board. The following committees were appointed:

For Cincinnati, Ohio, Drs. Reed and Scudder.

For Cleveland, Ohio, Drs. Beebe and McGavran.

For Toledo, Ohio, Drs. Markley and Coleman.

For Columbus, Ohio, Drs. Williams and Coleman.

The Board then adjourned to meet at the call of the President.

Called Meeting, November 6, 1896.

All members present except Dr. C. A. L. Reed.

A report was received and acted upon from the Committee on Medical Colleges.

The President and Secretary were authorized to issue graduates' certificates to thirty-seven applicants who were graduates of

colleges which have been recognized by the Board, the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue graduates' certificates to nine applicants who base their claim for certificates upon graduation from foreign or Canadian colleges, said applicants having furnished additional evidence bearing upon their graduation and the standing of the college from which they graduated, as was demanded by the Board, the name of each applicant having been presented to the Board.

The standing of one medical college was passed upon and recognized, and the President and Secretary were authorized to issue certificates to applicants who are graduates of said college, the name of each applicant having been presented to the Board.

The Board then heard the following cases, viz.:

T. J. Richards, Glen Roy.
H. M. Buckingham, Continental.
N. B. Ferguson, Ironton.
Abel C. Haines, Columbus.
Esther A. Van Ripper, Circleville.
Lucy Harky Adams, Akron.

The President and Secretary were authorized to issue legal practitioners' certificates to ten applicants, on the ground that these applicants were legal practitioners of medicine on the 27th day of February, 1896, the name of each applicant having been presented to the Board.

Dr. McGavran reported upon the examination for midwife's certificate of Rosa Ctzron, of Lucas County.

The President and Secretary were authorized to issue a midwife's certificate to Rosa Ctzron.

The Secretary reported upon the examination of four applicants who were examined on October 6 and 7.

The President and Secretary were authorized to issue certificates, to J. E. Barrows, of Meigs County, and B. E. Carlock, of Allen County.

The Board then adjourned to meet January 5, 1897.

Regular Meeting, January 5, 1897.

All members present.

Dr. Scudder, for the Committee on Medical Colleges, presented new forms upon which applications for certificates should

be made. The above named forms were referred to the attorney for the Board for his consideration, and with the request that he report at the next meeting of the Board.

Reports were received and placed on file from the committees appointed to visit the various medical colleges throughout the State of Ohio.

The regular order of business was suspended and the Board proceeded to the hearing of cases which were presented to it, as follows:

W. F. Hale, Jackson.
Cassius Minser, Webster.
S. D. Spees, Mt. Vernon.
Lucy Harky Adams, Akron.
Watson A. France, by his attorney Thos. B. Monahan.
Edson A. France, by his attorney Thos. B. Monahan.
Walter L. Taylor, Cincinnati.

The President and Secretary were authorized to issue graduates' certificates to thirty-seven applicants who were graduates of colleges which have been recognized by the Board, the name of each applicant having been presented to the Board.

The President and Secretary were authorized to issue graduates' certificates to seven applicants who base their claim for registration upon graduation from foreign medical colleges; these applicants having furnished additional evidence which was demanded of them by the Board, and each name having been presented to the Board.

Four applications for graduates' certificates were rejected, the name of each applicant having been presented to the Board.

One medical college was passed upon and recognized as in good standing.

The President and Secretary were authorized to issue graduates' certificates to the applicants who were graduates of the college recognized above, the name of each applicant having been presented to the Board.

Election of Officers for 1897.

The following officers were then elected to serve during the next year:

President, N. R. Coleman, M. D.
Vice-President, H. E. Beebe, M. D.
Treasurer, David Williams, M. D.
Secretary, Frank Winders, M. D.

J. K. Richards was employed to act as the attorney for the coming year at a salary of $1,000.00 per annum; attendance upon

cases outside of the city, and cases defended personally in Court not to be included in salary.

The President and Secretary were authorized to issue legal practitioners' certificates to forty-five applicants, the name of each applicant having been presented to the Board.

Six applications for legal practitioners' certificates were rejected, the name of each applicant having been presented to the Board.

The Secretary presented a copy of resolutions passed by the Columbus Academy of Medicine, bearing upon the establishment of Boards for the purpose of examining students for entrance to medical colleges.

The Secretary was instructed to acknowledge the receipt of these resolutions and to place the same on file.

The matter of entrance examinations to medical colleges was referred to a committee consisting of Drs. Coleman and Beebe and Attorney J. K. Richards.

Dr. Reed reported upon the examination of Mrs. Ida Jahnke, of Cincinnati, Ohio, for a certificate entitling her to practice midwifery in the State of Ohio.

The President and Secretary were authorized to issue a midwife's certificate to Mrs. Ida Jahnke, of Cincinnati, O.

The Board then adjourned to meet at the call of the President.

THE STATUTES OF OHIO

REGULATING THE PRACTICE OF

MEDICINE AND SURGERY.

THE STATUTES OF OHIO

REGULATING THE PRACTICE OF

MEDICINE AND SURGERY.

The Law Now in Force, Passed February 27, 1896.

(HOUSE BILL No. 76.)

AN ACT

To Regulate the Practice of Medicine in the State of Ohio.

Section 1. Be it enacted by the General Assembly of the State of Ohio, that Section 4403 Revised Statutes of Ohio, be amended so as to read as follows :

Sec. 4403. Within thirty days after the passage of this act, the governor, by and with the advice and consent of the senate, shall appoint a state board of medical registration and examination, consisting of seven members, one to serve for one year, one for two years, one for three years, one for four years, one for five years, one for six years and one for seven years, and the successors of each for the term of seven years, who shall be physicians in good standing in their profession, representation to be given to schools of practice in the state as nearly as possible in proportion to their numerical strength in the state, but no one school to have a majority of the whole board. The board shall organize by electing a president and a treasurer, who shall be members of the

board, and a secretary, who shall be a physician in good standing in his profession, each to serve for the term of one year. The treasurer shall give a bond in the sum of ten thousand dollars, with securities approved by the board, for the faithful discharge of his duties. The secretary shall receive a salary of not exceeding fifteen hundred dollars per annum, to be fixed by the board, and his necessary expenses in performing his official duties. The members of the board shall each receive ten dollars per day for the time actually employed in the discharge of their duties and their necessary expenses while engaged therein. The board shall have a common seal, and shall formulate rules to govern its action. Its president and secretary shall have the power to administer oaths. The board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times as the board may appoint. Five members shall constitute a quorum. The board shall keep a record of all its proceedings, and a register of all applicants for certificates, giving the name and location of the institution granting the applicant the degree of doctor of medicine or surgery, and also whether the applicant was rejected or a certificate granted. The books and register of the board shall be prima facie evidence of all matters recorded therein.

It will be noticed that Section 4403*a* and Section 4403*b* enacted February 15, 1881, (78 O. L. 27,) were not amended or repealed by this act, and they are inserted here to give the complete law as it stands in Ohio at the present date.

Sec. 4403*a*. Whoever shall make, issue, or publish, for purpose of sale, barter, or gift, any certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of any medical school, or college, or of any educational institution of medicine whatsoever, and entitled to the powers, privileges, or degrees thereby pretended to be conferred; or whoever shall sell, or otherwise dispose of, or offer to do so, any such diploma, certificate, writing, or document containing the false representation aforesaid; or whoever shall use his

name, or permit the same to be used, as a subscriber, for any purpose or in any capacity, to such false and fictitious diploma, certificate, writing, or document aforesaid, upon conviction thereof, shall be subject to the penalty prescribed in section four thousand four hundred and three (*b*).

Sec. 4403*b*. Whoever shall make, issue, or publish, or cause to be made, issued, or published, for the purpose of sale, barter, or gift, any diploma, certificate, or writing representing the holder thereof to be a graduate of any medical school, or college, or of any educational institution of medicine whatsoever, unless such holder shall have, in fact, attended a complete course of instruction in such school, college, or institution for medical teaching, which course shall be equal to the average course of instructions in other schools, colleges, or institutions, where the various branches of medicine are taught as a science, in good standing in the state of Ohio, upon conviction thereof, shall be fined in any sum not exceeding one thousand dollars, nor less than one hundred dollars, or imprisoned in the penitentiary not more than three years, nor less than one year, or both, at the discretion of the court.

Section 2. That Section 4403 of the Revised Statutes be further supplemented by supplementary sections 4403*c*, 4403*d*, 4403*e*, 4403*f* and 4403*g*, as follows:

Sec. 4403*c*. No person shall practice medicine, surgery, or midwifery, in any of its branches, in this state, without first complying with the requirements of this act. If a graduate in medicine or surgery, he shall, either personally, or by letter or proxy, present his diploma to the state board of medical registration and examination for verification. Accompanying such diploma the applicant shall file his affidavit, duly attested, stating that the applicant is the person named in the diploma and is the lawful possessor of the same, and giving his age and the time spent in the study of medicine. If the board shall find the diploma to be genuine, and from a legally chartered medical institution in good standing, as determined by the board, and the person named

therein be the person holding and presenting the same, the board shall issue its certificate to that effect, signed by its president and secretary; which, when left with the probate judge for record as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state. If a legal practitioner of medicine under the laws of Ohio in force at the time of the passage of this act, but not a graduate of medicine or surgery, as above defined, he shall, either personally, or by letter or proxy, furnish the board an affidavit, duly attested, stating the period during which and the places at which he has been engaged in the practice of medicine or surgery. If the board is satisfied from the affidavit and other information received that the applicant was a legal practitioner of medicine in Ohio at the time of the passage of this act, it shall issue its certificate to that effect, which, when left with the probate judge for record, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state.

If engaged in the practice of medicine in this state at the time of the passage of this act, but not a legal practitioner under the laws in force at such time, nor a graduate in medicine or surgery as above defined, he shall present himself before the board and submit to such examination as to his qualification for the practice of medicine or surgery as the board may require. If such applicant passes an examination satisfactory to the board, the board shall issue its certificate to that effect, which, when left with the probate judge for record, shall entitle the owner to practice medicine or surgery in Ohio for a period of one year next ensuing from the date thereof.

The board may refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery; and may after notice and hearing, revoke a certificate for like cause. An appeal may be taken from the action of the board refusing to grant or revoking a certificate for

such cause, to the governor and attorney-general, and the decision of which officers, either affirming or overruling the action of the state board shall be final.

All persons engaged in the practice of medicine or surgery in this state at the time of the passage of this act may continue in such practice for a period of ninety days after this law takes effect, in order to permit them to apply for and obtain the certificate above required.

An affimative vote of not less than five persons shall be required to authorize the issuance or revocation of a certificate. The fee for a certificate issued upon the verification of a diploma or to a legal practitioner as above defined, shall be five dollars. For the examination of an applicant, the fee shall be twenty-five dollars. In the latter case the fee shall not be returned in the event of a failure, but the applicant may, within a year after such failure, present himself and be examined again without the payment of an additional fee. All fees shall be paid in advance to the treasurer of the board and by him covered into the state treasury to the credit of a fund which is hereby appropriated for the use of the state board of registration and examination. The compensation and expenses of members and officers of the board, and all expenses proper and necessary in the opinion of the board to discharge its duties under and enforce the law shall be paid out of said fund upon the warrant of the auditor of the state issued upon the requisition signed by the president and secretary of the board.

Sec. 4403*d*. The person receiving a certificate to practice medicine or surgery under section 4403*c*, shall before entering upon the practice, leave his certificate with the probate judge of the county in which he resides, for record. The probate judge shall record the same in a book to be kept for that purpose, and endorse on the margin of the record and on the certificate the time he received the same for record, and make a proper index to all certificates by him recorded. The probate judge shall note in

the margin of the record the revocation of a certificate, or any change in the location or death of the owner of a certificate. Upon application the probate judge shall make out a certified copy of any such certificate and the endorsements thereon, and such certified copy shall be prima facie evidence of all matters and facts therein contained. Between the first and thirty-first days of December in each year, the probate judge shall furnish the secretary of the state board a list of all certificates recorded and in force, and also a list of all certificates which have been revoked or the owners of which have removed from the county or died during the preceding year.

In case of a change of residence, the owner of a certificate shall have the same recorded anew by the probate judge of the county into which he removes. For services under this section the probate judge shall receive the following fees: For recording and indexing each certificate, fifty cents, and for certified copies, the same fees as are allowed by law for copies and certificates or records kept by the probate judge, to be paid by the holder of the certificate.

Sec. 4403*e*. Every person practicing midwifery in this state at the time of the passage of this act, shall within ninety days thereafter file with the probate judge of the county in which she resides, an affidavit duly attested, giving her name, age, residence, the length of time during which, and the place or places at which she has been engaged in said practice, and the special education, if any, which she has received to fit her for such practice. Thereupon, upon payment of a fee of five dollars (fifty cents of which the probate judge shall retain as his own fee, and the balance remit to the treasurer of the state board of registration and examination) the probate judge shall issue a certificate, upon a blank form furnished by the state board, which shall entitle the applicant and holder to practice midwifery in this state. Such certificate shall be recorded by the probate judge, and in case of a transfer of residence, again recorded in the county to which the

midwife removes, as provided by section 4403*d*, regulating the record of physicians' certificates. The probate judge shall annually, between the first and thirty-first days of December, furnish the secretary of the state board a list of all such certificates issued and in force, and also a list of all such certificates which have been revoked or the owners of which have removed from the county, or died during the preceding year. All persons desiring, after the passage of this act, to enter upon the practice of midwifery in this state, shall appear before the state board and submit to such examination in midwifery as the board shall require. If the applicant passes a satisfactory examination, the board shall, upon the payment of a fee of ten dollars, issue its certificate to that effect, which when filed with the probate judge for record, as provided in section 4403*d*, shall entitle the owner and holder thereof to practice midwifery in this state. A certificate to practice midwifery may be refused or revoked for the same cause in the same manner as provided in section 4403*c* in the case of certificate to physicians and surgeons. The certificate granted to practice midwifery shall not give the holder the right to perform version, or treat breech or face presentation, or do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Sec. 4403*f*. Any person shall be regarded as practicing medicine or surgery within the meaning of this act, who shall append the letters M. D. or M. B. to his name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine or any other agency for the treatment, cure or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, that nothing in this act shall be construed to prohibit service in case of emergency, or the domestic administration of family remedies; and this act shall not apply to any commissioned medical officer of the United State army, navy or marine hospital service in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice

of dentistry, nor to any physician or surgeon from another state or territory, who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of the state, nor to any physician or surgeon residing on the border of a neighboring state, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this state; providing that such practitioner shall not open an office or appoint a place to meet patients or receive calls, within the limits of this state.

Sec. 4403*g*. Any person practicing medicine or surgery as defined in section 4403*f* in this state, without having first complied with the provisions of sections 4403*c* and 4403*d*, except as herein provided, shall be deemed guilty of a misdemeanor, and shall be fined not less then twenty dollars nor more than five hundred dollars, or be imprisoned in the county jail not less than thirty days, nor more than one year, or both. Any person practicing midwifery in this state without having complied with the provisions of section 4403*e*, except therein provided, shall be deemed guilty of a misdemeanor, and fined not less than twenty-five dollars nor more than one hundred dollars. Any person who shall file, or attempt to file as his, the medical diploma or certificate to practice of another, or shall file or attempt to file a false forged affidavit of his identity, or shall wilfully swear fasely to any question which may be propounded to him on his medical examination, or to any affidavit required to be made or filed by him, with the state board of medical registration and examination shall be guilty of felony and be imprisoned in the penitentiary not more than five years, nor less than one year. Such fines when collected shall be paid one-third to the person, corporation or medical society making the complaint or furnishing the information, one-third to the poor fund of the county, and one-third to the state board of medical registration and examination. The secretary of the state board of medical registration and examina-

tion is charged with the duty of enforcing this act. If he have knowledge or notice that the act has been or is being violated, he shall investigate the matter, and upon probable cause appearing, shall file a complaint and prosecute the offender. It shall be the duty of the prosecuting attorney, when requested by such secretary, to take charge of and conduct such prosecutions.

Sec. 3. Original sections 4403 and 6992 are hereby repealed, and this act shall take effect and be in force from and after its passage.

The Law in Force from October 1, 1868 to February 27, 1896.

From February 25, 1833, until May 6, 1868, there was no law in Ohio regulating the practice of medicine. On the latter date the Legislature passed an act "To protect the citizens of Ohio from empiricism and elevate the standing of the medical profession," which took effect October 1, 1868, and was as follows :

Sec. 1. *Be it enacted by the General Assembly of the State of Ohio*, That it shall be unlawful for any person within the limits of said state, who has not attended two full courses of instruction and graduated at some school of medicine, either of the United State or some foreign country, or who can not produce a certificate of qualification from some state or county medical society, and is not a person of good moral character, to practice medicine in any of its departments for reward or compensation, or attempt to practice medicine, or prescribe medicine or medicines for reward or compensation, for any sick person within the said State of Ohio; provided that in all cases where any person has been continuously engaged in the practice of medicine for a period of ten years or more, he shall be considered to have complied with the provisions of this act, and that where persons have been in continuous practice of medicine for five years or more, they shall be allowed two years in which to comply with such provisions.

Sec. 2. Any person living in the State of Ohio, or any person coming into said State, who shall practice medicine in any of

its departments, or perform or attempt to perform any surgical operation upon any person within the limits of said State, in violation of section one of this act, shall upon conviction thereof, be fined not less than fifty or more than one hundred dollars for such offense, and upon conviction for a second violation of this act, shall, in addition to the above fine be imprisoned in the county jail of the county in which said offense shall have been committed, for the term of thirty days, and in no case wherein this act shall have been violated, shall any person so violating receive a compensation for services rendered; provided, that nothing herein contained shall in any way be construed to apply to any person practicing dentistry.

Sec. 3. This act shall take effect and be in force on and after the 1st day of October, 1868.

Under this act to be a legal practitioner, one must, in addition to being a person of good moral character, either;

1. Having attended two full courses of instructions and graduated at some school of medicine, either of the United States or some foreign country; or,

2. Produce a certificate of qualification from some state or county medical society; or,

3. Have been continuously engaged in the practice of medicine for a period for ten yeas or more.

The first section of this act was carried into the Revised Statutes as Section 4403, but "two full courses of instruction" were defined by the additional words, "of at least twelve weeks each." That portion of the second section which took away from the person violating the act the right to recover compensation for services rendered, was incorporated in the Section 4403, the section reading:

Sec. 4403. No person who has not attended two full courses of instruction, of at least twelve weeks each, and graduated at a school of medicine, either in the United States or a foreign country, or who cannot produce a certificate of qualification from a state or county medical society, and is not a person of good moral character, shall practice or attempt to practice medicine in

any of its departments, or prescribe medicine for reward or compensation, for any person, within this state, except that when a person has been continuously engaged in the practice of medicine for a period of ten years or more, he shall be considered to have complied with the provisions of this chapter, and when a person has been in continuous practice of medicine for five years or more, he shall be allowed two years in which to comply therewith; and a person violating this section shall not be entitled to any compensation for services rendered.

The balance of Section one of the act of May 5, 1868, prescribing the penalty by way of fine and imprisonment was carried into the Revised Statutes of 1880 as Section 6992, being preceded by the qualicfiation in Section one of the act of May 5, 1868, omitting however, evidently through inadvertence, the provisions as to continuous practice for ten years, the section reading as follows :

Sec. 6992. Whoever prescribes, or practices, or attempts to practice, medicine in any of its departments, or performs or attempts to perform a surgical operation, without having attended two full courses of instruction, and graduated at a school of medicine, either in this or a foreign country, or who can not produce a certificate of qualification from a state or county medical society, shall for the first offense, be fined not more than one hundred nor less than fifty dollars, and for any subsequent offense be imprisoned for the term of thirty days.

The omission in Sec. 6992 of the proviso as to continuous practice for ten years, was corrected by the act of April 18, 1881, amending Sec. 6992 so as to read as follows. And thus amended, Sec. 6992 remained in force until February 27, 1896 :

Sec. 6992. Whoever prescribes or practices, or attempts to practice medicine in any of its departments, or performs or attempts to perform a surgical operation, without having attended two full courses of instruction, and graduated at a school of medicine, either in this or a foreign country, or who cannot produce a certificate of qualification from a state or county medical society, except that when a person has been continuously engaged in the

practice of medicine for ten years or more, he shall be considered to have complied with the provisions of this chapter, and when a person has been in continuous practice of medicine for five years or more, he shall be allowed two years in which to comply therewith, shall, for the first offense, be fined not more than one hundred nor less than fifty dollars, and for any subsequent offense be imprisoned for the term of thirty days.

Section 4403, of the Revised Statutes ot 1880, defined the qualification as to graduation thus :

"No person who has not attended two full courses of instructions, of at least twelve weeks each, and graduated at a school of medicine, either in the United State or a foreign country," etc.

By the act of May 2, 1885, the words quoted were stricken out and the following inserted :

"No person who is not a gradute of a reputable school of medicine, either in the United States or a foreign country," etc.

At the same time a retaliatory provision was inserted. As thus amended Section 4403 remained in force until February 27, 1896, the section reading as follows :

Section 4403. No person who is not a graduate of a reputable school of medicine, either in the United States or a foreign country or who can not produce a certificate of qualification from a state or county medical society, and is not a person of good moral character, shall practice, or attempt to practice medicine in any of its departments, or prescribe medicine for reward or compensation for any person within this state, except that when a person has been continuously engaged in the practice of medicine for a period of ten years or more, he shall be considered to have complied with the provisions of this chapter, and when a person has been in continuous practice of medicine for five years or more, he shall be allowed two years in which to comply therewith. Provided, however, that any person who shall have graduated at any school of medicine in any state or foreign country in which any condition or restriction is imposed by the laws thereof upon the

practice of medicine by the graduates of medical schools in Ohio, shall be subject to the same restrictions or conditions in the practice of medicine in this state as are imposed upon such graduates of medical schools of Ohio by the laws of such state or foreign country; and a person violating this section shall not be entitled to any compensation for services rendered.

On February 15, 1881 (78 O. L. 27), supplementary sections 4403*a* and 4403*b*, prescribing penalties for making, selling or using fraudulent medical diplomas, were enacted. These sections have never been amended or repealed and are still in force. They will be found printed *supra* page, ... under "The law now in force."

During the period from October 1, 1868 to Febuary 27, 1896 the effect of the foregoing provisions is as follows:

I. From October 1, 1868 to February 27, 1896, a certificate of qualification from a state or county medical society entitled the holder to practice medicine and surgery in Ohio.

II. From October 1, 1868 to January 1, 1880, graduation at some school of medicine, either of the United States or some foreign country, after attending two full courses of instruction, entitled the graduate to practice in Ohio.

III. From January 1, 1880 to May 2, 1885, graduation at a school of medicine either in the United States or a foreign country, after attending two full courses of instruction, of at least twelve weeks each, entitled the graduate to practice in Ohio.

IV. From May 2, 1885 to February 27, 1896, graduation at a reputable school of medicine, either in the United States or a foreign country, entitled the graduate to practice in Ohio; but this was subject to the retaliatory proviso that foreign graduates should be subject to the same restrictions in Ohio that were imposed by their state or country upon Ohio graduates desiring to practice there.

V. During this entire period, from October 1, 1868 to February 27, 1896 the continuous practice of medicine for a period of ten years qualified a person to practice in Ohio.

The Law in Force from January 4, 1811, to February 25, 1833.

THE ACT OF JANUARY 14, 1811.

The first law regulating the practice of medicine in Ohio was passed January 14, 1811, (2 Chase's Statues, 752).

The act was entitled: "An act regulating the practice of physic and surgery." The preamble recites:

"Whereas, the practice of physic and surgery is a science so immediately interesting to society that every encouragement for its promotion should be given, and every abuse of it so far as possible, suppressed; therefore, etc."

The law divided the State into five medical districts; appointed, by name, a board of three "Medical Censors or Examiners," for the purpose of examining candidates for the practice of physic, surgery, or midwifery, in each district. A person desiring to practice was required to first obtain a license from one of these medical boards. The requirements for obtaining a license were thus stated:

"No person shall receive a license to practice in either of the above branches, who shall not produce a certificate to the satisfaction of the board, that he is a person of good moral character, and has attended three full years to the theory and practice of medicine, under the guidance of some able physician or surgeon, or a license from some medical society, showing his having been admitted as a practitioner, and give satisfactory answers to such questions as may be put to him by the censors or examiners in anatomy, surgery, materia medica, chemistry, and the theory and practice of physic."

A person violating the act was "deprived of the assistance of the laws of this State" in the collection of his fees.

The boards were required to meet on the first Monday of June and November; that of the first district at Cincinnati, of the second at Chillicothe, of the third at Athens, of the fourth at Zanesville, and of the fifth at Steubenville. The fee for the license was $5.00.

THE ACT OF FEBRUARY 8, 1812.

The act of January 14, 1811, was repealed by "an act to incorporate a medical society," passed Feruary 8, 1812, (2 Chase's Stat., 767). The preamble of this act recites:

"Whereas, well organized medical societies have been found to be of benefit in promoting the health and happiness of society by more generally diffusing the knowledge of the healing art and thereby alleviating the distress of mankind, therefore, etc."

And proceeds to create a medical society by the name of "The president and fellows of the medical society of the State of Ohio," naming a large number of physicians as the original members. The act divided the State in seven districts, the meeting place for the first district being "at the town of Cincinnati," of the second at Chillicothe, of the third at Athens, of the fourth at Zanesville, of the fifth at Steubenville, of the sixth at Warren, and of the seventh at Dayton. The members of the society for each district were authorized to appoint an examining committee, with power to examine and license. The fee remained at $5.00. The person practicing without a license was not only deprived of power to recover fees, but was made subject to the forfeiture of not more than $100.00 nor less than $5.00 for every offence.

THE ACT OF JANUARY 14, 1813.

The act of February 8, 1812, was repealed by an act passed January 14, 1813 (2 Chase's Statutes, 786), entitled "An act regulating the practice of physic and surgery," which substantially re-enacted the act of January 14, 1811, with the exception that it divided the State into seven medical districts instead of five. The act created a board of "Medical Censors or Examiners" for each district, naming them. These boards were required to meet in April and November at Cincinnati, Chillicothe, Athens, Newark, Steubenville, Warren, and Dayton. All applicants for license were required to pass an examination "in anatomy, surgery, materia medica, chemistry and the theory and practice of physic." The fee for a license was $5.00. The penalty for practicing without a license was the forfeiture of a sum not more than $70.00, nor less than $5.00 for each offense.

THE ACT OF JANUARY 28, 1817.

The act of January 14, 1813, was repealed by "An act passed January 28, 1817, (2 Chase's Statutes 1024), regulating the practice of physic and surgery." This act was drawn on the lines of the law it repealed. It divided the state into eight districts instead of seven, and named the meeting places, being Cincinnati, Chillicothe, Athens, Zanesville, Steubenville, Warren, Dayton and Wooster. The requirements were substantially the same as in the last law, except that in addition to answering questions in the subjects named, the candidate was required to deliver a thesis on some medical subject. The penalty for practicing without license was increased to a fine not exceeding $200.00. The fee for a license was increased to $10.00.

THE ACT OF JANUARY 30, 1818.

The act passed January 28, 1817 was amended by the act of January 30, 1818, (2 Chase's Statutes 1035), which provides that "any person having received the degree of doctor of medicine in any university or other medical institution within the United States, and wishing to practice in this state, should be entitled to a license without examination." The license or diploma of the candidate was required to be recorded by the secretary of the board of censors in the district in which he desired to practice.

THE ACT OF JANUARY 5, 1821.

The act of January 28, 1813, as amended January 30, 1818, was repealed by an act passed January 15, 1821 (2 Chase's Statutes, 1173), entitled, "An act regulating the practice of physic and surgery within this state."

This act provided that each of the circuits of the Court of Common Pleas should constitute a medical district, in which there should be appointed five censors, to examine candidates for the practice of physic and surgery. The act named the board of censors for each district. The censors for each district were required to send a delegate to a convention to be held at Columbus, the delegates thus assembled, constituting a body corporate and politic under the style of "The Medical Convention of Ohio." This

convention was given exclusive power to grant licenses for the practice of physic and surgery, to prescribe the periods and methods of study, and the qualifications of candidates (but the period of study shall not be appointed for less than two, nor more than four years), and to communicate the same to the different boards of censors who were to be governed by them in examining and licensing candidates. The local board of censors, after examining a candidate, might give him a permit good until the next meeting of the convention, at which the question, whether a license be issued, was to be determined by ballot by the delegates. The fee for a license was $10. The convention was given the privilege of selecting annually two needy students of medicine to receive gratuitous instruction at "The Medical College of Ohio." The act named two physicians as visitors to the ensuing commencement of "The Medical College of Ohio."

THE ACT OF FEBRUARY 26, 1824.

The act of February 15, 1821 was repealed by an act passed February 26, 1824, (3 Chase's Statutes, 1966), entitled "An act to incorporate medical societies for the purpose of regulating the practice of physic and surgery in this state." This act continued in force without material modification until February 25, 1833, when it was repealed. After its repeal, no law regulating the practice of medicine was enacted until May 5, 1868. In view of the fact that it was the last law under the old Constitution, and because of a long period intervening before another was passed, the act is given in full, as follows:

Whereas, well regulated medical societies have been found to contribute to the diffusion of true medical science, and a correct knowledge of the healing art: Therefore,

1. *Be it enacted, &c.*, That this state be, and the same is hereby divided into twenty medical districts, for the organization and establishment of medical societies, as follows: The counties of Hamilton and Clermont shall constitute the first medical district; Preble and Butler, the second; Warren and Greene, the third; Miami, Darke, Shelby, Mercer, Allen, Van Wert, Paulding, Putnam, Williams and Henry, the fourth; Brown and Adams, the

teenth; and Ashbel Eart, Orestes K. Hawley, Nathan B. Johnson, John W. Scott, John Emory, jun., Charles————, Storm Ross, and Andrew Merriman, and their associates, shall constitute the twentieth medical society of Ohio: Provided, however, that no person shall be competent to be a member of any of said societies, who shall not possess the qualifications specified in the seventh section of this act.

3. That the persons named as aforesaid and their associates, in their respective districts, shall hold their first meetings on the last Tuesday of May next, and at the places following, that is to say, for the first district, at Cincinnati; for the second, at Oxford, in Butler County; for the third, at Lebanon, in Warren County; for the fourth, at Piqua, in Miami County; for the fifth, at West Union, in Adams County; for the sixth, at Hillsboro, in Highland County, for the seventh, at Dayton, in Montgomery County; for the eighth, at Bellefontaine, in Logan County; for the ninth, at Portsmouth, in Scioto County; for the tenth, at Chillicothe, in Ross County; for the eleventh, at Worthington, in Franklin County; for the twelfth, at Athens, in Athens County; for the thirteenth, at Lancaster, in Fairfield County; for the fourteenth, at Norwalk, in Huron County; for the fifteenth, at Zanesville, in Muskingum County; for the sixteenth, at Mount Pleasant, in Jefferson County; for the seventeenth, at Canton, in Stark County; for the eighteenth, at Warren, in Trumbull County; for the nineteenth, at Cleveland, in Cuyahoga County; and for the twentieth medical district, at Unionville, in Madison township, in Geauga County; and the person first named, as aforesaid, in each of said districts, or in case of his absence or inability, the person next named shall give at least three weeks previous notice, of such meeting by advertisement, published in some newspaper in general circulation in said district.

4. That when the persons named as aforesaid, and their associates, to the number of five or more, shall have convened in their proper district, as provided in the preceding section, they shall proceed to organize themselves into a medical society, by the name of their numerical number, as described in the second section of this

act, by electing a president, vice-president, secretary and treasurer, and shall thenceforth be a body politic and corporate, with perpetual succession, and as such shall have power to hold, by purchase or otherwise, any real estate, real, personal, or mixed, not exceeding the amount of five thousand dollars, to make such by-laws and regulations, as they may deem expedient, for the good order and government of said society, provided the same be not inconsistent with the constitution and laws of this state; to create such offices, and direct the manner of filling the same, as they shall consider necessary to fix the compensation of offices created by this act, or the by-laws of said society; to make assessments upon the members of the society, not exceeding three dollars per annum; to employ or appropriate the funds and property of said society, whether the same arises from assessments upon the members, contributions, fees of admission, or donations, for any scientific or literary purpose, connected with the science of medicine, as to them shall seem best suited to promote the objects of their institution; to prescribe rules for the admission of members, not inconsistent with this act; and to provide for the expulsion of members, for mal-practice, and the removal of officers for misconduct, and the filling of all vacancies; and by their numerical name aforesaid, they shall be entitled to sue, and be subject to be sued, in all courts of judicature; and shall devise and use a common seal, and may alter and renew the same at pleasure; provided, however, that if the persons named as aforesaid, in the second section of this act, shall not meet and organize themselves, in their respective districts, as provided in this section, on the said last Tuesday of May next, it shall be lawful for them to meet and organize on the day following, and their proceedings then had, shall be as valid as if they had been had on the day preceding.

5. That there shall be elected in each of said societies, not less than three nor more than five censors, whose duty it shall be, carefully and impartially to examine all students in physic and surgery, who may present themselves for that purpose; and to report in writing their opinion of the qualifications of such student, to the president of their society; and the president, or in his absence or

disqualification, the vice-president, shall thereupon give to each student so examined, if said report shall so recommend a license, under his hand and the seal of the society, countersigned by the secretary; which license shall authorize the person obtaining the same to practice physic or surgery, or both, as shall be set forth in said license, in any part of this state; and the person obtaining such license, shall pay to the treasurer of the society, where he obtains the same, a sum not exceeding ten dollars, for the benefit of said society; the amount of which sum, and time of payment, shall be regulated by the by-laws of the society; and each person having obtained a license as aforesaid, shall thereafter be a member of any medical society in this state, where he shall reside; Provided, however, that the censors shall not examine any student in physic or surgery, for the purpose of his being licensed, for the practice of either, or both of those professions, unless such student shall produce to them, satisfactory evidence of his being of good moral reputation, and that he shall have regularly studied such profession with some reputable practitioner or practitioners for the term of three years, unless such student shall have received a collegiate education, in which case he shall not be required to have studied but two years.

6. That each medical society shall hold a meeting on the last Tuesday of May annually, and at such other times, as the by-laws may direct; that the president, vice-president, secretary, treasurer and one other member, or any one or more of said officers, with other members sufficient to make the number of five, shall constitute a quorum, for holding elections or transacting the ordinary business of said society; that the meeting of said society, subsequent to the day following the last Tuesday of May next, shall be held at such places, within the bounds of said district, as the by-laws shall direct; that all elections shall take place at the annual meetings on the last Tuesday of May, and shall be by ballot; and a majority of votes given shall be necessary to a choice; and all officers so elected shall hold their offices for one year, and until their successors shall be elected and inducted into office.

7. That every physician and surgeon, who may reside in this state on the said last Tuesday of May next, who shall have received

a license, diploma, or honorary degree, from any regularly organized medical society or college in this state, or elsewhere, or who can produce satisfactory evidence of having attended one course of medical lectures, at some reputable institution, or who shall produce to any one of said medical societies satisfactory evidence of his having been reputably engaged in this state, in the practice of physic or surgery, for three years previous to the said last Tuesday of May next, shall on application be admitted a member of any medical society of this state, in the district in which he shall reside.

8. That it shall be the duty of the secretary of each of the said medical societies, to provide a book in which he shall make an entry of the organization, by-laws, resolutions, rules and proceedings of said society and shall enter therein the names of the members, the times of their admission, the names of the members expelled, and the times and causes of expulsion; also the annual reports of the treasurer, of the state of the funds, and all such other matters as the society may direct; to which book, any member at any time shall have free access; and the secretary shall in the first week in June, annually, make out, certify, and lodge with the clerk of the court of common pleas of the county, in which the meeting of his society during the year preceding was held, and shall pay to the said clerk twenty-five cents, for filing the same in his office, which it is hereby made his duty to do.

9. That the treasurer of each society shall keep a fair and accurate account, of all the moneys by him received and paid out, and of all the funds and property of said society; at each annual meeting, on the last Tuesday of May; and he shall whenever required by the society, give bond and security for the faithful discharge of the trust reposed in him and in manner and form, as the by-laws shall direct; and the said treasurer, and the secretary of each society shall deliver to their successors in office, without neglect or delay, all the books, papers, records, and other property belonging to said society which may be in their hands at the time of their going in office.

10. That every person who may hereafter be licensed to practice physic or surgery, in this state, shall deposit a copy of his license with the clerk of the court of common pleas in any county

wherein he may reside; and until such copy shall be deposited, he shall be liable to the penalties of this act, in the same manner he would be liable if he had not obtained such license; and he shall pay to the clerk with whom he shall file such copy, twenty-five cents for filing and preserving the same, which it is hereby made the duty of such clerk to do.

11. That no person other than the members of said medical societies shall after the first day of July next, be permitted to practice physic or surgery, in this state; and if any person not being a member of said societies, shall practice physic or surgery he shall not be entitled to the aid of the law, or courts of this state, in the collection of any debt, or demand whatever arising or accruing from such practice; but the same shall be considered null and void, and shall vitiate and destroy any bond, bill, note or contract whatsoever, into which the same shall in anywise be carried, changed or transferred; and such person shall moreover forfeit and pay the sum of ten dollars, for every violation of this act, of which he may be duly convicted, to be recovered in an action of debt, with cost of suit, in the name of the overseers of the poor of the township where such penalty shall be incurred, before any justice of the peace, in such township, to be prosecuted by the said overseers, or any other person; and the justice before whom such conviction may be had, shall pay the money thus collected, into the hands of the treasurer of said township for the use of the poor thereof; provided that if the person so practicing shall not demand or receive any fee or reward for the same, he shall be exempt from the penalties of this act; provided also, that nothing herein contained shall extend to prohibit any person having his actual residence in any other part of the United States, and who by the laws of the state where he shall reside, is not prohibited from practicing physic and surgery therein, from practising in this state, when specially sent for to come into any part of it, and administer and prescribe medicine, or perform any kind of surgical operation for the relief of such, to whose assistance he may be sent for.

12. That the medical society aforesaid, shall not either directly or indirectly, make any order, resolution or arrangement,

defining or fixing the amount of compensation to be charged, or received for any services which may be rendered; or medicine furnished by any surgeon or physician within this state; nor make any other order, resolution or arrangement relating to any such charges or compensation.

13. That each of the said medical societies are hereby authorized and required, at a regular meeting thereof, to be holden within seven months preceding the second Monday of December, A. D., 1827, to elect one delegate or proxy to represent said society in a general representative convention, to be holden as hereinafter provided.

14. That the delegates and proxies as provided in the preceding section, shall convene in the town of Columbus, on the second Monday in December, in the year 1827; and when they, or a majority of them, shall be so convened, they shall organize themselves as a general representative convention of the medical societies of the state of Ohio, by electing a president and secretary, and such other officers as they may deem necessary, and when so organized, they shall inquire into and determine the expediency of establishing a general medical society in the state of Ohio, and may hold their sittings from time to time, as their duties and convenience may require; and if their determination shall be in the affirmative, they shall proceed to form a constitution and code of by-laws, for the rule and government of such general medical society, providing therein for the amendment of such constitution and by-laws, and prescribing the offices and qualification of officers and members who shall constitute such society, and the tenure of office and the mode of election, and manner of removal and filling vacancies, the duties of the officers and their compensation, the mode and manner of raising revenue, and all other provisions necessary to the complete organization and effective operation of such general medical society; provided, the same shall be consistent with the constitution and laws of this state; a copy of which constitution and code of by-laws shall be deposited in the office of the secretary of state, within thirty days from the rising of said convention; but if their determination shall be in the negative, they shall exercise no further powers,

except to recommend another convention, if they shall deem it advisable, to be holden at some subsequent period, at such time and place as they shall direct; and if they shall so recommend, such subsequent convention shall be elected and holden under the direction and restrictions, and be clothed with the powers contained in this and the preceding section.

15. That this act shall not be construed or extended so as to subject any person to the penalties thereof, who shall have been practicing as a physician or surgeon within this state, at the time of the taking effect of the act, regulating the practice of physic and surgery within this state, passed January fifteenth, one thousand eight hundred and twenty-one.

16. That the general medical society of the state of Ohio, when formed and organized in pursuance of the constitution and code of by-laws so to be formed by the representative convention as aforesaid, shall be a body politic and corporate with perpetual succession, by the name and style aforesaid, and as such shall be entitled to receive, purchase and hold real or personal estate, to any amount not exceeding ten thousand dollars, and shall have power to devise and use a seal, and the same to change at pleasure, to sue and be sued in all courts of judicature, and shall possess a visitorial power over all the district medical societies, and to change or alter their boundaries as convenience or necessity may require; and shall prescribe uniform rules and regulations for said district societies, and enforce them by reasonable fines and penalties; provided, however, that the said societies shall in all things be subject to the laws and regulations of the general assembly; and the corporate powers hereby granted, may at any time be revised or revoked by the legislature.

17. That the act regulating the practice of physic and surgery within this state, passed January fifteenth, eighteen hundred and twenty-one, be and the same is hereby repealed; provided, however, that any right which the medical convention of Ohio, or any person shall have acquired under said act, to any fee or money yet due or unpaid, shall remain and continue valid; and may be prosecuted the same as though said act were not repealed. The act to take effect from its passage.
